Dr. Samaher Alfaraj

Consultant
KAMC | Women's Health Hospital
Riyadh | Saudi Arabia

Biography:

Dr. Samaher Alfaraj is a Consultant in Reproductive Endocrinology and Infertility at the Women's Health Hospital, King Abdulaziz Medical City (KAMC), Riyadh. She holds both the Saudi and Arab Board certifications in Obstetrics and Gynecology. Fellowship trained in Reproductive Endocrinology and Infertility.

As the Program Director for Reproductive Endocrinology and Infertility (REI) and an Assistant Professor at King Saud bin Abdulaziz University for Health Sciences (KSAU-HS), Dr. Samaher plays a key role in advancing women's health education and clinical training. She is also certified in Clinical Epidemiology and Biostatistics which strengthens her ability to integrate clinical care with academic and research excellence.

Through her leadership, Dr. Samaher aims to expand research collaborations, promote innovation in reproductive medicine, and enhance patient-centered fertility care in Saudi Arabia and the wider region.
